The **Family Card** is for families of two or more individuals, including parents and children. The family members must share the same address. Applicants over 18 years of age may purchase family cards. The library at the applicant's request may issue additional cards for individual family members. However, the applicant is responsible for every card issued to family members under that application, overseeing and maintaining its activity.

The **Individual Card** is for individuals. Only the individual in whose name the card has been issued may use the card. A custodial parent or a legal guardian must sign applications by individuals under age 18.

Butler Public Library Board of Trustees approved January 11, 2023.
