

# Borrowing from Evergreen Libraries

Your Evergreen Library card may be used at the Waterloo, Angola, and Kendallville public libraries or at any other Evergreen library in the state.

There are a few limits on the types of items you may borrow from other libraries and have delivered to Butler. The following will not be available via the state-wide delivery service.

- All items that have been added to another library's collection during the previous 6 months.
- DVDs, VHS videos, Music CDs, Software, and Video Games

However, you may visit a consortium library and check these items out in person.
